

# Logset 20'

Revillusion® | 230V/50Hz | 1300 Watt

The Revillusion® logset 20" by Dimplex is an electric fire system designed to instantly revive your non-active fireplace. Very easy to install, safe, maintenance free, and requiring surprisingly little energy. A great way to bring back the fascination of flames moving upwards from the glowing logs, reinstalling your fireplace as a focal point, for great moments around the fire. Fitted with ambient light functions and a heater and even a remote, to let you enjoy your fireplace comfortably at each moment of the day and year.

- Adjustable brightness level to suit the desired ambience
- Mirage Flame panel - partially frosted acrylic panel which works better than a mirror, showing only lifelike flames and no reflections
- The 360° light adds flickering light to enhance the firelight effect
- Enjoy the unique charm of the fireplace 365 days a year using the flames without the heat
