

Silverton

Optimyst® | 230V/50Hz | 60 Watt

Do you cherish your existing fireplace or stove but make no use of it? The Silverton is a smart and compact electric fire, designed to revive your wood or gas fire. Thanks to its glowing logs, its flames and smoke coming from cold water vapour and LEDs, enjoying your fireplace can be a comfortable and lasting experience, again.

- Compact freestanding fireplace
- Also suitable as an insert for inoperative fireplaces
- Glowing LED log set with loose logs für individual decoration
- Including a glowing ash bed for under the fire basket
