

# Nova

230V/50Hz | 1400 Watt

Experience Better Living

Freestanding

A modern electric fireplace offering a white frame in a timeless style. With its clean lines, it fits perfectly into both modern and traditional interiors. The Nova can transform and heat any room - be it a living room, study or bedroom. The rich flames are visible and bright and as well as the heat generated can all be adjusted by the remote control

- Modern design with a white finish
- Suitable for any interior design
- Digital thermostat for easy temperature control
- The flame effect can also be used without the heat function to enjoy the charming fireplace - 365 days a year

- 

One-sided decorative fireplace
- 

Flames rising over a highly realistic glowing fire bed
- 

Optiflame technology, calming flames above the a colourful glow bed.
- 

Flames and lamps use energy-efficient LEDs that require no maintenance and can burn separately.
- 

Colour alternating flame effects
- 

Powerful fan-assisted heating by safe element that provides additional heating on demand.
- 

Control all functions of the fireplace from the comfort of your chair.
- 

Fireplace can also be operated via button display on the fireplace
- 

Easy to connect to a standard socket for instant atmosphere.
